...spells the APT difference

Awe-Inspiring Holiday Options

With seven of our own custom-built river ships cruising Europe's magnificent waterways in 2010 and the widest range of itineraries to select from, APT offers you the ultimate in holiday choice.

Personalised Cruising Experiences

Choose the size of your suite and its balcony type, as well as where you'll be located on the ship. With more space per guest than most other ships, recreational areas abound. New and exclusive to APT in 2010, our enhanced range of dining options includes alfresco, casual dining and of course, fine dining. And no matter where you dine, you'll enjoy free-flowing complimentary local wines with dinner.

Trustworthy Market Leaders

An Australian family-owned company for more than 80 years, APT are the pioneers of European river cruising in Australia. Which means we possess a level of experience, insight and expertise that other companies can only attempt to match.

Amazing Value for Money

For your convenience, we arrange and pay for your airport transfers on the first and last day of the tour. We cover your gratuities for touring by land and on water, so you know exactly where you stand with your holiday budget.

Private Balconies – Innovation

Featured in more than 80% of our suites, exclusive AMA Private Balconies offer fresh air and unimpeded views in all weather, while allowing for a greatly increased amount of floor space inside your suite. Representing a meticulously planned progression in river ship design, our revolutionary Twin Balconies feature both a spacious Outdoor Balcony and an AMA Private Balcony, so you can enjoy the best of both worlds.

Timeless Destinations

By land, you'll discover Europe's iconic attractions and hidden gems exactly the way you want to, thanks to our included Small Group Shore Excursions and Freedom of Choice Touring activities.
